

Rotonics Manufacturing Inc.
Laundry & Linen

New

LET53 Linen Exchange Truck

- Our linen exchange trucks are made of heavy duty polyethylene.
- Extra deep shelves for maximum clean linen capacity
- Tough, durable, double wall poly shelves
- Transport cart shelves easily drop down and secure as front panel closure for soiled linen bin.
- Polyethylene, corrosion-free RotoBase
- These streamlined linen exchange trucks have non-marking wheels.
- Available with tow hitch
