\*Larger Lid Optional  
 \*\*Molded-in lifting lugs available upon request.

Slope Bottom			Ht.	Ht.		
Item#	Size (Gal.)	w/Lid (In.)	w/Stand (In.)	Width (In.)	Length (In.)	Lid (In.)
6518	350	74	97	38	40	16
6519	400	83	106	38	40	16

- Available in Crosslink Polyethylene or FDA-approved High Density Linear Polyethylene
- Heavy duty tanks used for mixing, settling, and storage of dry materials, as well as highly viscous solutions, up to 16.5 lbs./gal.
- Basic stands are equipped with forklift channels.
- Optional mixer mounts and pump platforms are available
- Installed inlets and outlets are available to fit certain specifications
- Impact and corrosion resistant
- Seamless, one piece construction
- Stands sold separately

- Excellent corrosion resistance
- Dish bottom design for complete drainage
- Accepts 2" or smaller tank adapters
- Ball valves and quick release cam locks are available.
- Available in Crosslink Polyethylene or FDA-approved High Density Linear Polyethylene
- Impact and corrosion resistant
- Seamless, one piece construction
- Stands sold separately

## All Poly Cyclone

## All Poly Liquid Transporter

Item#	Size (Gal.)	Dia. (In.)	Ht. w/Lid (In.)	Lid (In.)
6316*	300	47	60	10

\*Durable tank with double molded pallet suitable for mixing, storage, and shipping of a variety of liquids.

- Available in Crosslink Polyethylene or FDA-approved High Density Linear Polyethylene
- Natural polyethylene allows for liquid level viewing.
- Threaded fill caps provide easy access and cleaning.
- Protected 2" recessed valve allows drainage from the lowest level of the tank for complete product discharge.
- Impact and corrosion resistant
- Seamless, one piece construction
- Stands sold separately

## Liquid Transporters

Item#	Size (Gal.)	Ht. w/Lid (In.)	Width (In.)	Length (In.)	Lid (In.)
6311**	300	40	42*	48	16
6315**	330	42	43*	51	7

\*Units with skids are capable of stacking two high and two across in a standard truck.  
 \*\*Tanks are available with a sturdy steel frame and four way forklift skid for easy loading and handling.
